Dear Editor

The performance of the Tianjin Daxue Xuebao (Ziran Kexue yu Gongcheng Jishu Ban) was excellent, and the published article helped me conduct research and write scientific articles.

I have completed a scientific article entitled "**STRATEGY OF GIVING WAITING TIME TO ANSWER QUESTIONS ASKED BY ARABIC LANGUAGE TEACHERS TO MADRASAH TSANAWIYAH STUDENTS.**"

I hope this article can be published in the Tianjin Daxue Xuebao (Ziran Kexue yu Gongcheng Jishu Ban) Journal because there are interesting findings in the scientific article that can become new treasures. Editor and Reviewer comments:

Reviewer #1:

1. The paper has some interesting information, and the topic is essential; however, there seem to be some basic questions suggesting flaws in the questionnaire, which put the conclusions in question.
2. The English in parts approaches is incomprehensible, so as a first step, a firm editorial hand would be needed to figure out what needs to be rethought.
3. The literature review refers to engaging experience and studies elsewhere, but it is not well linked to the research and, therefore, the conclusions.
4. The paper's focus is more applicable to Indonesia Only?
5. There should be more information about the object of research, not about the content of the study.

I hope your team can make improvements as soon as possible and send the revised article again via this email.
